

## A documentary narrated by Cokie Roberts

Presented by the Leadership Conference of Women Religious and Design Island

**W**omen & Spirit: Catholic Sisters in America is a documentary that narrates the virtually untold story of women who exercised leadership at a time when few women enjoyed such possibilities. Theirs is a story of quiet courage during many dramatic moments in US history. Discover the mystery behind this small community of innovative women who helped shape the nation's social, cultural, and spiritual landscape.

This DVD includes the 56-minute documentary, a study guide, a digital exhibit, and videos from the traveling *Women & Spirit* exhibit.

Proceeds from the sale of this DVD will support the mission of the Leadership Conference of Women Religious.
